

IN THE UNITED STATES COURT OF FEDERAL CLAIMS

AMENTUM ENVIRONMENT & ENERGY,
INC.,

Plaintiff,

v.

THE UNITED STATES OF AMERICA,

Defendant.

Case No. 20-2016 C
Judge Silfen

JOINT STATUS REPORT REGARDING STATUS OF DISCOVERY

The parties, plaintiff Amentum Environment & Energy, Inc., formerly known as URS Energy & Construction, Inc. (“URS”), and defendant the United States of America (the “Government”), have been conducting discovery under a scheduling order that requires them to jointly submit a status report every 30 days updating the court on the progress of discovery. ECF No. 50. The parties therefore respectfully submit this joint status report updating the Court on the status of their efforts.

Since the parties’ last status report, the parties conducted additional depositions: the deposition of a fact witness for URS took place on February 20 & 21, 2025, depositions of fact witnesses for the government took place on March 4, 2025, and March 6 & 7, 2025, and depositions of third-party witnesses took place on February 25, 2025, and March 13, 2025. Following the Court’s recent modification of the scheduling order, the parties are continuing to work to schedule additional depositions in order to complete fact discovery.

Respectfully submitted,

s/ Charles C. Speth
